ANNOTATIONS 1

HISTORY

Meets Specifications

🌟 keep Up The Good Work! 🌟

This is your first submission in the course and you did a wonderful effort! I was amazed by your ability to analyze the visualizations and come up with a great result! it seems that you really love what you are doing, and I believe you are fully prepared to complete the course and graduate from Udacity and make your way to be data/business analyst or whatever you want! 🌹

Completeness

Three insights are reported.

It's great to see your effort to examine, discover congruence data, and differences.

Each insight has an explanation describing how the insight was reached from the data.

For each insight, provide a screenshot that shows what you found in the dashboard.

Wonderful explanations for your insights, especially that you provided screenshots to make it clearer. Good Job!

Correctness

Student's conclusions are correct based on the data.

Well done!

The dashboard was used appropriately to find the information.
